

The Fanwood Presbyterian Church is seeking an excellent musician who loves both traditional and praise music to play our beautiful organ and piano and lead our children, youth and adult choirs and ensembles (including an inter-generational bell choir.) This person will also play keyboards with (but not direct) our praise band. The job will hopefully grow from a start of around 10 hours a week as we re-engage post-Covid. Bachelor's degree required and experience preferred but new graduates are welcome. Please send your resume to Rev. David Jahnke - djahnke@gmail.com
