

Report of the Nominating Team

Co-Moderator of the Presbytery Pastor Doris Peterson (Newark, Eliz, Ave. Weequahic)

(Note: Our by-laws allow flexibility to take advantage of co leadership models for various reasons which might include sharing a time commitment, supportive leadership models, or as in this case, the preference of the current vice moderator to serve as a co-moderator next year in order to lift up diversity in our leadership. At the end of this next year Doris would be eligible to serve a term alone as Moderator with an elected Vice Moderator, or to continue sharing both roles with another Co-Moderator depending on the preference of the parties involved. In any event which of those models will be clear when the next person is elected next February.)
